World of Luxury Décor

# BOTANICA

Asian Paints is India's leading and Asia's third largest paint company trusted for its outstanding paint products which includes a range of innovative solutions. We operate in 15 countries and have 26 paint manufacturing facilities in the world, servicing consumers in over 65 countries.

*World of Luxury Décor*

Nilaya Wallcoverings from Asian Paints brings you the world's finest surfaces. Each product is handpicked and supported by India specific care products, formulated by Asian Paints, to harmonize with perfectly realized decor visions. Curations from internationally renowned designers, collaborations with Indian creative artists and creations by Nilaya's own Signature Series, ensure a continuous flow of an ever stylish range of wallcoverings, decals, borders and paintables.

## BOTANICA

Fabrics and wall-coverings give an ambience the perfect feel-good atmosphere and provide the finishing touches to the interior. When textile surfaces meet the unbroken megatrend "Urban Jungle", the walls leave their mark. They transform the home into oases of stylish coziness. The Botanica collection combines these two design elements to such perfection that you sometimes think you're sitting on an optical illusion. But we guarantee, it's "just" wall-covering!

## END TO END SERVICES

### PATTERN SELECTION

Our dedicated institutional sales team can help pick the right pattern for each project. We have colour consultants who can help you navigate the world of pattern books and combination colours. In case you cannot find the right product, we can also help match your sample from the extensive library available with our manufacturing partners. The Nilaya digital catalog is an easy reference to shortlist patterns and co-ordinates.

### PROJECT PLANNING & MATERIAL DELIVERY

For large projects a dedicated relationship officer will help you with material estimation, budgeting and material delivery. Most of our product range is stocked locally and our nationwide distribution network can ensure that the material is delivered on site no matter where it is located.
