Perfection Redefined

## ABOUT US

57 years of redefining perfection.

We are manufacturers of architectural hardware, Kitchen hardware and glass fittings, providing complete solutions for both residential as well as commercial structures since the past 5 decades. Our constant search for perfection stems from a strong, customer-focused approach and a constant effort towards providing world-class quality. A strong reputation has been earned by focusing on our testing and R&D practices that makes Hardwyn a benchmark of quality.

We have made our presence felt internationally primarily because of our unending endeavor to create a Global Supply Chain and trusted distribution footprint. A wide network of dealers and distributors, have helped establish a reputation for strong customer support. At Hardwyn, we have always believed in caring for the socio-environment, and so we stringently follow green manufacturing practices as an integral part of our vision. Hardwyn is the partner of choice for every domain residential and commercial projects as we keep making rapid strides in the development of the country.
