LIVING IN HARMONY WITH NATURE **BEGINS BY LEAVING IT BE.**

Natural rocks and stones are part of ancient ecosystems, shaped by the elements and withstanding time, possessing the calm grandeur of nature that every home longs for.

A feeling that you can bring to life while letting nature live untouched and free, with Lithos. These stone-inspired finishes are made with 90% naturally occurring materials and zero Volatile Organic Compounds. Explore this range of modern, mindfully designed wall couture, for the greener plans that echo your design philosophy of blending style and sustainability.

BLACK STONE FINISH

Where there is rain over plateaus, there is black stone. With centuries of natural weathering masterfully carving lines and patterns into minerals, its splendour is unmatched. This stunning Lithos finish emulates the look of black limestone, offering class, elegance and the limitless potential for contrasting colour-play. Versatile in design, calming in effect. For contemporary homes that yearn for nature's touch.
