SPRING 2024

SPRING COLLECTION 2024

This season, immerse yourself in the vibrant hues and organic beauty of nature with our Spring 2024 collections, A Walk In Venice and Bohemian Rhapsody, where the vivid colors and natural elements of these collections steal the spotlight. Each piece is a testament to the harmony between human craftsmanship and the natural world, creating spaces that are as enchanting as they are inviting.

Indulge in the essence of the season!

A walk in
VENICE

A WALK IN VENICE

Inspired by the enchanting hues and vibrant energy of the iconic city, this is where the timeless allure of Venice meets our coloured glass series. Our collection captures the essence of leisurely strolls through its winding canals and charming alleys.

Each piece in this collection is a testament to the city's rich history and unparalleled beauty. From the warm glow of sunrise casting golden reflections on the Grand Canal to the captivating hues of dusk, painting the sky in shades of orange, pink and purple, our chandeliers bring the magic of Venice to life in every room they grace.

Crafted with meticulous attention to detail and a passion for design, A Walk in Venice, embodies romance and sophistication of this beloved city in them.

Grecian Glamour Chandelier

Our Grecian Glamour is inspired by the charm of the Victorian era in its striking silhouette, startling proportion, dainty detailing and sparkling tinted crystals. Capped with artistic flourishes, this masterpiece reflects the flamboyant era's love for ornamentation and intricate accents. Its arched arms and swaging candle sleeves in a subtle blue tint will transport you back to royal times. A natural choice for maximalist-inspired interiors, this traditional chandelier casts a soft glow - style this blue glass chandelier in your grand dining room to experience the magic of Victorian times. If vintage designs are more of your style, browse our exclusive collection of Victorian-era-inspired crystal chandeliers to choose the perfect one for your home.

String Of Pearls Chandelier

Taking inspiration from the dazzling Victorian era, our String Of Pearls is enrapturing in every detail. The grand silhouette combined with the dainty detailing of the crystals in this masterpiece takes you back to the regal royal times. With arched arms and swaging candle sleeves in clear crystal, this glass crystal chandelier is an interesting choice for modern interiors. Complement the dichromatic colour palette of your minimalist interiors with the striking beauty of this contemporary chandelier. Style it over your round dining table or hang it in the long entryway for a welcoming ambience; the choices are endless. If vintage designs are more of your style, browse our exclusive collection of Victorian-era-inspired crystal chandeliers to choose the perfect one for your home.

Mixed Emotions Chandelier

The timelessness of Victorian heritage meets the simplicity of contemporary style in our Mixed Emotions. This eye-catching design is a piece of art that whispers a story of every curve and detail in its making. The glass body flaunts a rich, deep amber finish that balances artfully against the softness of fabric shades. Imagine the gentle breeze of twilight dancing through the fabric shades, painting the walls of your living space in warm hues of amber. Make this modern coloured glass chandelier a cherished companion that's a symbol of comfort and connection by styling it over your central seating space. If vintage designs are more of your style, browse our exclusive collection of Victorian-era-inspired crystal chandeliers to choose the perfect one for your home.

Soaring Signature Chandelier

Sputnik style has been ruling the world of design since the 1950s. Our Soaring series celebrates this mid-century design style in its statement chandeliers. This artistic fixture boasts many arms, each supporting multi-coloured crystals and in-built LEDs. 89 crystals in this design are carefully cut and polished for clarity, brilliance and sparkle, and then coloured for a visual appeal. Experience the dainty elegance of crystals by picking this colourful golden chandelier for your long dining table. The coloured crystals coupled with the gleaming gold finish in this multi-coloured LED chandelier beautifully complement the clean lines and monochromatic colour palette of a modern interior. Change the colour temperature of the LEDs with a remote control to mirror the mood of your dinner parties and other occasions.

'GOLDEN GROVE
BAMBOO PENDANT'

BOHEMIAN RHAPSODY

Indulge in the free-spirit of the bohemian living with our exquisite lighting series, aptly named 'Bohemian Rhapsody'. Crafted from sustainable materials such as bamboo, rich wood and woven rattan, each piece exudes a rustic charm and natural elegance that transports you to a world of laid back luxury and artistic living.

Inspired by eclectic textures and earthy tones of bohemian design, our pieces blend organic materials with artisanal craftsmanship.

Whether suspended above a cozy reading nook, or adorning a sunlit dining area, they cast a warm glow and infuse any space with a sense of warmth, comfort and style.

Let this collection be the soundtrack to your own personal journey of creativity, self expression and soulful living.

Country Roads Rattan Pendant Light

Inspired by the natural beauty of a seashell, our Country Roads pendant light brings the outdoor oasis into the indoors. With a twisted seashell-like canopy, this designer pendant light is made with woven bamboo for a coastal appeal. The ceiling plate is crafted in wood too, thus synchronised in materiality and colour to seamlessly blend across your bohemian interiors. Swap those heavy designs for the lightness of bamboo with this bamboo pendant light. Style it in your home library or cosy reading nook for a warm and comforting ambience. Our collection of woven bamboo pendant lights never disappoint.

Fishwives Tale Rattan Wall Light

Our Fishwives Tale is a boho-inspired piece with an open-weave design and warm colours. The wooden plate with a woven bamboo body lends a coastal appeal that brings out a breezy and natural vibe. Style this bamboo wall light in your dining area to recreate a soothing setting that's reminiscent of your beach vacations. Indulge in a cosy coffee time with your better half while this bamboo woven wall light envelops the space in a warm embrace. Choose our bamboo pendant light for your extra seating, and create a cohesive corner with our newest collection of bamboo designs.

Hold Still Wooden Wall Light

Hold Still is the newest addition to our bamboo lights collection. The artistic wood-making in linear patterns ensures that the abandoned nooks of your lounge area always look stylish. The yellow acrylic diffuser in this wooden wall light gently diffuses an even radiance. Drench your space in a wash of warm light with this intricately-designed woven beauty. Style this modern wooden wall light in pairs and couple them with our bamboo chandelier for a complete look that's synchronised in materiality and colour.
