Nilaya wall coverings from Asian Paints brings you the world's finest surfaces. Each product is handpicked and supported by India specific care products, formulated by Asian Paints, to harmonize with perfectly realized decor visions. A continuous flow of an ever stylish range of wall coverings is ensured by curations from internationally renowned designers, collaborations with Indian creative artists and in-house creations by Nilaya.

The Nilaya and Tilla Studio collaboration is the first in a series of capsule collections by Asian Paints. It marks an exciting curatorial direction to explore, showcase and celebrate the art and design of niche, contemporary Indian studios. Our aim is to highlight their surprising and nuanced art, and expand the outlines of the Indian design landscape.

Tilla is a design studio based in Ahmedabad, India. Established in 2011 by clothing designer Aratrik Dev Varman, the brand celebrates handmade Indian textiles and craftsmanship.

At its heart, it is defined by a practical and elegant aesthetic that adapts easily to different contexts globally, outlining an approach to living and working with traditional crafts in a modern world. This balance is brought about in an ecosystem of mindful design and slow production, with minimal waste being an important part of the design ethos.

Tilla clothing is sold at leading design stores in India and internationally. Since its inception, the brand has expanded from fashion to include wallpaper, interior textiles, textile art/installations and a café as an extension to its portfolio of work.
